Bandera Meeting of the League of Women Voters - Hill Country Texas

KERRVILLE—The League of Women Voters of the Hill Country Texas has scheduled a meeting on Thursday, April 2 at 9:00am. The Hen's Nest located at 1134C Main Street in Bandera will be the venue. Breakfast will be "Dutch treat". Individuals interested in the League are welcome to attend. The agenda includes working on a plan to "Get Out the Vote" and distribution of League voter guides for the Primary *Runoff* Election on May 26.

Reminder from the League: Monday, April 27 is the last day to register to vote or change information on voter registration for the 2026 Primary *Runoff* Election on Tuesday, May 26. A citizen who is already registered to vote can update their voter registration information online at [votetexas.gov](https://www.votetexas.gov). This means changing an address or a name. Texas does not allow a citizen to register to vote online. The state website, [votetexas.gov](https://www.votetexas.gov), does provide a form to register to vote. A citizen can print the form, complete the form, and mail or take the completed form to the Bandera County Election Department.

The Texas Primary *Runoff* Elections includes one runoff election for Bandera County: the Republican Party ballot will list Bandera County Judge with two candidates - Dennis Fitzgerald and Susan Junker. The other offices listed on the Republican Party ballot: US Senator, Attorney General, and Railroad Commissioner. The Democratic Party ballot includes two state offices: Lieutenant Governor and Attorney General.

The Texas Election Code contains strict guidelines about who is eligible to vote in Primary *Runoff* Elections:

- 1) If you did NOT vote in one of the Primary Elections in March, you can vote in either the Democratic Party Primary *Runoff* Election OR the Republican Party Primary *Runoff* Election on May 26.
- 2) If you voted in the Democratic Party Primary in March, you can only vote in the Democratic Party Primary *Runoff* Election.
- 3) If you voted in the Republican Party Primary in March, you can only vote in the Republican Party Primary *Runoff* Election.

The League of Women Voters is a non-partisan and non-profit civic organization encouraging active participation in government and does not support or oppose candidates for elected office. The Hill Country Texas League serves six counties: Bandera, Blanco, Gillespie, Kendall, Kerr, and Llano. For information on LWV Hill Country Texas, visit the League website at <https://www.lwvhillcountrytexas.org/> or contact the League at the following: president@lwvhillcountrytexas.org.
